This net takes place every Thursday Evening at 8pm and is open to ALL amateur radio operators. Please feel free to participate. This net takes place in several parts. First, we'll have announcements. Then we'll move on to check-ins. Then we'll go through the list and have a Round Table discussion.

Announcements With that, let's move on to Announcements.

Tuesdays at 2000h the Surrey Club SARC holds their weekly net on VE7RSC. All amateur radio operators are welcome to participate. GOTA's are encouraged to stop by, check-in and join in the shenanigans on the Round Table discussion.

Saturday's at 0730h. Breakfast at Denny's at 6850 King George Blvd in Surrey. It is an informal meet-up open to all. At 0930h the SARC OTC at 5756 142 Street will be open. It's a great venue to talk about any radio-related issues you might be having.

Do we have any other stations with announcements for the net? Please Go Ahead with your Call Sign and Name. (Repeat until no more announcements)

Topic Our topic tonight will be (Your topic or no topic). This is an informal net. Please, don't feel limited to this topic. All subjects are welcome.
